E4E Solutions (formerly NRG Vision) ranks # 312 on Inc. magazines 2012 fastest growing companies list.

- # 312 on the 2012 Overall Inc. 500 List
- # 15 on the 2012 Energy Services Sector Inc. 500 List
- # 12 on the 2012 Atlanta, GA Inc. 500 List

New York, August 21, 2012 Inc magazine announced its annual Inc. 500 list. For more than 30 years, Inc. has celebrated the fastest-growing companies in America. To be honored this year is a particular notable achievement. To rank among the 2012 Inc. 500, NRG Vision had to thrive through three of the toughest years this economy has seen in living memory. NRG Vision could never accomplish such lofty achievements if not for its customers and their commitment to us.

As an Inc. 500 honoree, NRG Vision now shares a pedigree with Intuit, Zappos, Under Armour, Microsoft, Jamba Juice, Timberland, Clif Bar, Pandora, Patagonia, Oracle, and other notable alumni. In addition to NRG Vision the 2012 list added such powerhouses as Publix Supermarkets, CDW, Levi Strauss and a little social media company called Facebook.

NRG Vision is proud to have achieved this accomplishment.
